Meet Madrona.....

Madrona is an impish 7½ year-old yellow lab with a torn ACL. We, her human “aunts,” bring her to the Lap of Luxury for a “spa day”. She loves being in the water and is very competitive if one of us races her to the ball. Swimming here has helped her lose some weight, keep her strength up and exercise off some of her mischievous lab energy. When we deliver her back home she doesn’t want to get out of the car. If we show up at her house, whether we are off to the pool or not, she jumps in the car as if to say, “It’s a spa day! Let’s go!”
